MAYINGLONG[®]

HEMORRHOIDAL OINTMENT

About Mayinglong Hemorrhoidal Ointment

Formulated in China during the Wan Li period of the Ming dynasty (late 16th century), Mayinglong Hemorrhoidal Ointment uses traditional Chinese ingredients. Mayinglong Hemorrhoidal Ointment provides temporary relief from the itching and discomfort associated with hemorrhoids.

It continues to be the most popular hemorrhoidal treatment in Asia.

Mayinglong Hemorrhoidal Ointment is manufactured in a US FDA Audited Facility.

Drug Facts

Active Ingredients

Petrolatum: 78.5% (Protectant)

Calamine (based on Zinc Oxide) 8% (Protectant)

Uses

- Helps relieve the local itching and discomfort associated with hemorrhoids.
- Temporarily relieves burning.
- Temporarily provides a coating for relief of anorectal discomfort.
- Temporarily protects the inflamed irritated anorectal surface to help make bowel movements less painful.

Warning
